Notes & Quotes from Parish Council President, John Rueger: Had someone ask about putting what is going on with the Parish Council at the meetings. It was very exciting! With everyone trying to get harvest over, we were very short on numbers. We went over the normal bills and talked about the holidays coming up. On Tuesday, Nov. 5th, I called the meeting to order at 7 and at 7:30 adjourned and on the way home. Sorry, maybe next time I can have more to report. Quote: "I am not what I ought to be, Not what I want to be, Not what I am going to be, But I am thankful that I am better than I use to be."

Congratulations to Jonathan and Jordan Keating on the baptism of their son Kendall Lee Keating on Nov. 3 at St. Malachy's by Father Nathan. St. Malachy grandparents are Steve and Jodi Keating.

News from St. Gregory School: This week, the students met in their faith families to learn about the virtue of charity. Charity is the theological virtue by which we love God above all things for his own sake, and our neighbor as ourselves for the love of God. The students also learned how St. Teresa of Calcutta modeled the virtue of charity in her interactions with the poor. The students then discussed ways that they can practice charity in their own lives. The students said they could show love to those around them, they could give food to the poor, they could help mom and dad with the chores without complaining, and much more. May we continually ask St. Teresa to help us follow her example of charity in our own lives. **UPCOMING EVENTS:** **Pizza Hut Fundraiser Night—**
